SCHOOL SONG

Loyal and true we pledge allegiance to you,
This is our motto, one for all and all for
alma matar,
Here's to our school and long on high may she rule
For evermore you will find us always loyal and true.

Loyal and true we put our faith all in you,
We know our bearcats will win this game and
also greater fame.
Build up that score and bring us victory once more
Purple and gold means to fight on for H.T.H.S.

His life was gentle;
and the elements
So mixed in him, that
nature might stand up
And say to all the world--
This is a man.

--Shakespeare

FACULTY of 1950

1950 finds the Seniors with sorrow in their hearts
For in this year we sadly depart
In years to come when we think of the by gone days
Then we shall miss the faculty with their cheery ways.
The faculty that quieted us as we passed through the halls;
The faculty that we appreciate one and all.
Breathing a sigh of relief when another weary day is done,
Praying that their battle has been at least partially won.
I cannot justly say that the battle has been won
I can say we shall miss you when we're gone.

PROPHECY

We the class of 1951, do submit, in this year of our Lord,1960, the following report on the members of the class of 1950.

It is the year 1960; ten years have passed since this class has graduated from H.T.H.S. It was during their Senior Year in '50 that they decided to hold a class reunion ten years later. When yours truly (Reporters from the Class of '51) heard about this, we immediately decided to interview each one and find out what they had accomplished in ten years.

Due to a previous engagement the reunion could not be held in the gym of H.T.H.S.,so it was decided it would be held at "Vic's", the former "Doc's". We decided to arrive early and interview each member as they arrived.

We arrived and as we rushed through the door, much to our surprise we found the proprietor and owner of 'Vic's', EUGENE VICKERY behind the counter awaiting his classmates. Upon questioning him we find he has bought "Doc's" and is doing very well.

Outside we hear a rattle and a bang as a blue Chevrolet pulls up which looks very familisr. It is none other than ROBERT BONEBRAKE. We questioned Bob and found he has ily-well-married and has six little boneheads-excuse us we mean Bonebrakes. He also says his black Chevy looked old so he painted it blue again.

While interviewing Bob, SHIRLEY LEE arrives looking very pleased with herself--we soon found out why-she is now a lifeguard at a men's bathing beach.

Bythis timethey began arriving too fast to be interviewed as they arrived, so we just started interviewing. Our interview with KENNETH LAHR is rather shocking. We find he has been tracking rabbits in Alaska.

Moving around the room we came upon CHARLES HARE-Oh! what a shock. He has been raising rabbits-You know little Hares (Incidently Who Do you think turned those rabbits loose in Alaska?

What's this talk about radios? Why it's none other than DONALD WINKLER, who has his own roaming hot-dog stand and radio repair truck. A good business if you can do it.

With no reflection on Donald's truck, we hear someone talking about wrecks. It's none other than RICHARD HUSTON. He just couldn't keep a car, so he has started a wrecking yard.

What's this little group? It looks like a circus. How right we are. Upon starting the interviews of this group we first talk to PAT CALLAHAN who tells us she is the Bearded Lady of the Circus. DONALD NESS tells us he is head-manager of the grass-skirt department. And what's this? RUTH REED tells us she is the Hula-Dancer of this little group. JERRY NORWOOD says he is the "Wild Man From Borneo", but to keep it quiet because they only let him out of his cage for the reunion.

Right here in our own city of Huntington, HELEN JANE WINE tells us that she is working in at Young's--sacking up the rest of the nuts.

DR. RICHARD GROVES tells us business has practically flown to him--He's a bird Vet.

WAYNE HINDS seemed rather anxious for an interview--Here's why. He is now playing Center on the Anderson Packers bench--Oops! That was a mistake --we mean he plays center for the Anderson Packers when he isn't sitting on the bench.

We find NORMA LAURIE as the head coach of a fat girl's team. She tells us that she has had a very lean year with only one win and ninteen losses!!

We found another member who had not strayed from Huntington, JOAN DAVIS tells us she is head fo her own Reducing salon on Jefferson Street.

We were very pleased when MARGARET FRIEGBAUM told us she is working her way up from the bottom--she is a flag pole sitter. (That certainly iis Working up from the bottom.)

BARRY SMITH has been a great disappointment. He headed for Hollywood and Paramount, where he was sure to land a job in the movies. He landed a job alright--stage prop for Paramount.

My, some of the members of this class sure have changed, JO ANN KLINE even admits she is chief-taster for C.V.

When we heard JIM TOBIN talking about digging we thought possibly he meant 6x6x3.

Although we can't say RICHARD BIEGHLER has a promising job, he certainly has one well suited for him. For ten years he has been mopping all the gym floors in the county.

Are we slipping? Or did JACK JOHNSON really say he is head gutter cleaner at Majenica.

Nearing the end of the class interviews we were not surprised when CONNIE GARRISON tells us she is entering a beauty contest in a few days after a complete over-all job at the South Side Body Works.

Last but not least, and mind you, sneaking into the place is DEAN NELSON. He tells us he cannot stay long, as he is being hunted by Forest Rangers--Seems he's a fire bug. He says he must get back to his hiding place in the aycamore tree.

With one last good-bye we leave the class to finish their reunion as we think over our interviews with the class of'50 from Huntington Town ship High School.

STUDENT DIGEST

MEDITA STAFF

1. Tobin, Groves, and Vickery "working" on the sporta angle of the year book.
2. The advertising department consisting of Bonebrake, Huston, Reed, Norwood, Bieghler, end Johnson (sitting) kept plugging away until they got all the eds that could be gotten.
3. Groves, Reed and Winkler are "pencil point sharp" at drawing the sketches of the seniors. The work they did looke something like that of somebody elses.
4. Davis, Kline, Callahan with the two worst editors ever, Kriegbaum end Smith showing them just where, why and how to paste the make up.
5. The typing seems to be well in hand as Hare, Lee, and Lahr go to work.
6. If you see a blank or dark spot where someone's face should be, it is the work of the two shutterbugs shown, Nelson and Smith.
7. Wine, Hinds, Laurie, our adviser Mrs. Kreiger, and Garrison handled the circulation of our annual. If our year book was a pint of blood, it couldn't have circulated much better.

STUDENT COUNCIL

Mr. McCrum and the Student Concil have done a fine job this year. At the start of the year a container was placed on the school grounds for waste paper. Then for the recreation of the Student body a volley ball league was started. Each class had one or more teams to compete with other classes.

The officers of the Student Council are Margaret Kreigbaum, Pres., Dean Nelson, Vice Pres., Annie Swain, Sec. Treas.

GIRLS ATHLETIC ASSN.

The girls athletic association was started in 1936 at Huntington Township under the direction of Miss Isobel Krieg. Since that time nearly every girl in this High School has belonged.

This year the girls c. . . . are happy to have Miss Virginia Link as their sponsor.

Activities which the G.A.A. members have participated in are as follows: volley ball, swimming, bowling, dancing, and ping pong. A hay rack ride was held at the beginning of the year at the home of Mertha Graham. The G.A.A. sponsored a skating party at Beatty's Rollerena with all schools invited.

At the end of the year an achievement day was held. This is a time for all girls in G.A.A. to get together and have a good time while earning extra points for the coming year.

The big event of the year is the G.A.A. banquet which is held at the end of the year. The purpose of this is to welcome the new members, appoint officers for the coming year, bid farewell to the Seniors and receive those hard earned awards.

Officers for 1949-50 were:

President.	Margaret Kriegbaum
Vice Pres.	Helen Sell
Sec.Treas.	Joan Gordon

The next engagement was on August 26, at Elmwood Park, which was a benefit game for John Eckley, our former coach. The Halloween season brought a parade on October 31; the Band marched in this parade and played afterwards at the Hier's Park Pavilion.

Two clarinet quartets, one consisting of Dick Coles, Donald Snider, Shirley Beady, and Donald Vickery, The other composed of Joan Gordon, Rosemary Oden, Carol Wiley, and Carolyn Wechsler received a rating of good or second place. A saxaphone quartet which was made up of Helen Sell, Carol Brown, James Wiley and Larry Nelson also placed third. SENIOR PLAY

On April 12th the Seniors produced an unusual play, "The Brain Storm." Through Barry Smith's humorous portrayal of the Conscience, the audience learned that a conscience can be humorous as well as haunting. The cast, under direction of Mrs. Kreiger, gave a good and entertaining performance.

The play took place in a small college town. Willoughby Adams was doing very well doing all his roommates work until the coach saw him run around the track. After that, Willy had no peace, for there were the co-eds who were continually getting signatures for the petition to get Willy to play football; then his roommates didn't want him to because he might become popular with girls. Then too, his aunts didn't approve because it was too dangerous. Finally there was Sally, whose influence was very strong; and Willy's visible conscience, who would give him no rest. The play ended with Willy on the foot-ball team and everyone happy but his roommates.

JUNIOR PLAY

It was an anxious crowd thet sat waiting for the curtain on December 8, when the class of '51 presented "Believe It or Not", a play whose title had a tinge of mystery. The mystery was quickly forgotten and the comedy brought many laughs especially with David Merrymen's impersonation of the maid.

As the curtain rises we find that Harriet Follis (Phyllis Hart) is faced with an embarrassing situation, for she has but two weeks to find and marry a man in order to inherit money from her rich uncle. When her uncle arrives, her pal, Nancy (Marilyn Smyser) becomes Harriet's fiancee. Complications arise when two men arrive in answer to Harriet's matromonial ad. Then one of them remains in disguise of the maid. The affair becomes riotous when a plumber, health inspectress, and a detective enter into the scene. The tangled threads are finally straightened, and all things end happily for both Harriet and Nancy have managed to hook a man.

CAMERA CLUB

The Camera Club makes its first appearance this year. Many students interested in photography have joined to make it a well recognized organization throughout the school.

The Members nick-named the club "The Shutterbug Club". They also have designed an insignia to match the name.

The club has picture contests every month to see who can take the best picture of a subject which is voted for in that specific month. One of the local photographers does the judging of the pictures.

Since the club didn't think it necessary to elect a complete staff of officers, a secretary-treasurer was elected. Dean Nelson was voted to take the position. The club is very happy to have Mr. Mulligan as its sponsor.

BASKETBALL-49 '50

In the 1949-50 the Bearcats had an off and on season. It was the first year for Terry Bolander as head coach at our school. In the first Huntington County Basketball Tournament, the Bearcats were beaten by Roanoke in a very close and hard fought game 51-44. Lancaster won the tournament by winning over Warren.

Jack Johnson, Barry Smith, Jim Tobin, Dick Bieghler and Wayne Hinds are lost by graduation, but next year's ball team may be promising with Max Schwob, Fred Hauenstien, Jim Alford, Dean Barton, Eldon Mietzler, Robert Rudy, and a bunch of scrappy second team players.

We wish you a lot of luck next year, fellows!

TO THE BOLANDERMEN

A fellow who always gripes and complains,
Usually plays some of the poorest games.
But if he is the one that does something wrong,
He makes sure its forgotten before very long.

When the one great Scorer
Comes to write against your name,
He will not write whether you won or lost,
But how you played the game.

Back row: Johnny Swales, Max Funderburg, Leon Stern, Darl Stern, Rex Stern, Eldon Meitzler, Coach--Mr. Al Piedmont. Middle row: Gerald Weaver, Student Manager, Max Solloway, Walter Call, David Ellet, Robert Rudy, Jim Edgington, Charles Keplinger, Student Mgr. Front row: Ronald Yake, Gene Callahan, Jerry Tobin, Gene Smith, Burch Reed.

The Bearkittens got started off right by winning their first game with Van Buren 35 to 20; but from there on had trouble wining till about the middle of the season.

They took second place in their Second Team 4-Way Tournament by beating Roanoke in the afternoon, 22 to 21, but lost to Union 23 to 17 that night.

Near the end of the season the second team was divided into two teams. The tail end played other schools that did the same thing, so that all the boys would get to play more.

The 49-50 edition of the Huntington Township Junior High Team enjoyed a semi-successful season on the basketball court but had difficulty in winning a baseball game. The lack of experience as compared with their competitors seemed to be at a low ebb. A great deal of credit belongs to the boys for their fighting spirit and as is usually the case, there are a few boys who do not get the privelige of playing very often but yet you find them attending every practice and giving all they have. To these fellows belongs a word of praise.

The basketball season proved more successful than the baseball campaign. Winning 13 and losing 7, the team captured runner-up honors in a four way tournament held at Roanoke.

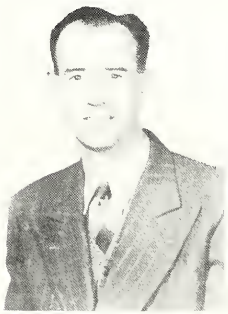
TRACK

In 1949 Huntington Township, coached by John Eckley, went through an undefeated season.

For the second straight year they won the County Track Championship with Roanoke and Andrews taking second and third place honors. During this meet Several new records were set.

Track awards were presented to: Stuart Wechsler, James Sprinkle, Jim Graham, Jack Johnson, Jim Tobin, Dick Day, Dick Bieghler, Max Schwob, Dick Grovee, Barry Smith, John Swales, and Gene Callahan.

Those out for track that did not receive awards were: Max Funderburg, Rex Stern, Darl Stern, Donald Snider, Lavon Mickley, Jim Alford, Roy Frantz, Paul Clark, Bill McNally, and Donald Davenriner.



John Eckley

Our former coach, so much admired by all the Bearcats, has been sidelined temporarily from active participation in his chosen field of leading boys toward winning ways.

He is now in the Grace Hospital at Detroit, Michigan fighting for recovery with the same determination and high spirit with which he inspired boys on the hardwood, diamond and field.

All the boys, students and friends sincerely hope and pray for his speedy recovery. Good Luck John!
